

Create Your Google Apps Email/Login

This information will follow you to Grade 12 so **SAVE all passwords and usernames.**

Take Notes or Screen Shots with your phone.

Steps to Follow:

1. Go to RLJH website > click on **Google Apps** drop down menu
2. click on **Create Your nspes.ca Email Account**
3. follow the link <https://selfservice.nspes.ca/cgi-bin/account.pl>
4. Use your **Student ID Number** and **birth date** to create an account. (Student #s in Student ID or PowerSchool)

After this step you should have a new email account that looks like abg908908@nspes.ca and you have a password for this account.

Now the important part...

Make sure you are using Firefox or Chrome and type only the following into the address bar of Chrome or Firefox.

gnspes.ca

Login using abg908908@nspes.ca and you have a password for this account. **BUT add the letter "g"** Example. abg908908@gnspes.ca
Use the same password.

You should now see...
