

Do you have an
aptitude for math and science?
Consider Engineering!

Dalhousie University's Women in Engineering
Society would like to invite you and your parents to
Go Eng Girl 2017!

Go Eng Girl
2017

An Introduction to Engineering

Saturday, November 25, 2017

11 AM – 4:30 PM

This event is a day for high school students to discover Engineering as a potential career- as well as check out Dalhousie University's Campus. The day's activities will include meet and greets, games, a hands-on introduction to various engineering disciplines, presentations from current professionals and professors and a design competition (including prizes!).

There is also a full day planned for all interested parents which will include information on the co-operative education program, student life at Dalhousie, the various engineering disciplines and Engineering as a potential career for your daughter!

The event is free, and lunch will be provided!

WHO: Girls in Grade 9-12 – All students are welcome!
(Separate itinerary for parents)

WHEN: Saturday, November 25, 2017, 11am -4:30pm

WHERE: Sexton Campus, Dalhousie University
1360 Barrington St., Halifax
